Right Intermediates

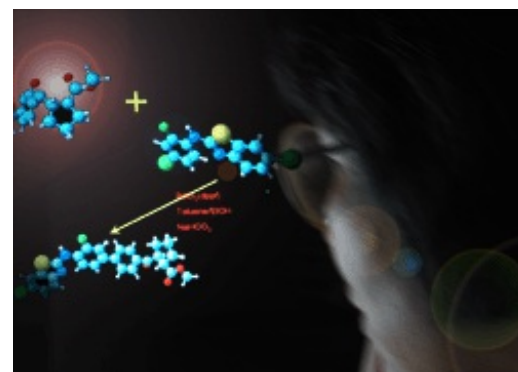

3RChem offers custom made, unique and versatile synthetic intermediates specifically tailored to the rapid synthesis of new drug-like compounds.

Right Purity

All 3RChem intermediates have a minimum purity of 97% by HPLC , Guaranteed! Customers can contact us to request copies of analytical data for compounds they have purchased from 3RChem free of charge.

Right Chemistry

Most 3RChem compounds are synthesized by scalable processes that have been developed in-house. Need bulk quantity for your scale-up? Just send us your inquiry!
